Bank Drive, Ortigas, Pasig

Educational Background

- Nueva Vizcaya State University
  BS in Electronics Engineering
  2021 - 2025

  DOST-SEI RA 7687 S&T Scholar

  Secretary
  College of Engineering
  Student Council
  2024 - 2025

  Education Committee Chair
  JIECEP-NVSU Chapter
  2023 - 2024
- Philippine Science HIgh School - Cagayan Valley Campus
  High School - STEM Strand
  2015-2021

  DOST PSHSS S&T Scholar

Skills

- Electronics Engineering
- Project Management
- Intermediate Programming
- Problem Solving
- Technical and Content Writing

Experience

Quality Assurance Tester
GameOps | 2026

Conduct functional and exploratory testing for Squadron 42, supporting Cloud Imperium Games (UK) in identifying and resolving game defects.

Execute structured test cases and gameplay scenarios to identify bugs, glitches, performance issues, and unexpected behavior.

Reproduce, document, and report defects with clear steps to reproduce, expected vs. actual results, severity, and supporting evidence.

Project Management Specialist
Globe Telecom | 2025 - 2026

Assisted in delivering cost-efficient spare parts solutions to support the operational recovery of non-working company sites.

Supported the preparation, consolidation, and monitoring of spares-related reports to ensure data accuracy and management visibility.

Coordinated the end-to-end spare request process, from initiation and approval through delivery, utilization, and return, ensuring timely and compliant execution.

Robotics and Electronics Intern - Electronics Department
Hytec Power Inc. | 2024

Programmed different Robotic Devices (RoboNova, NAO)

Provided technical support for electronics assembly troubleshooting and testing

Led a team of 13 in project and report documentation, progress tracking and team coordination

Technical Content Writer
Livingston Research | 2023

Certifications & Achievements

Licensed Electronics Engineer
March 2026 | Electronics Engineer Licensure Examination
Rating: 88.70

Licensed Electronics Technician
March 2026 | Electronics Technician Licensure Examination
Rating: 84.00

Former National Quiz Show Qualifier
Back-to-Back Regional Champion (Electronics Elite)
Back-to-Back Regional 1st Runner-Up
(Interscholastic Quizshow)
